General Land Office  
No. 46360.Mineral Certificate.  
No. 563.

## MINERAL PATENT.

## LAND DISTRICT:

Coeur d' Alene,-----Idaho.

General Land Office.  
No. 46360.Mineral Certificate.  
No. 563.

THE UNITED STATES OF AMERICA,

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

WHEREAS, In pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, and legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of survey and the Certificate, No. 563, of the Register of the Land Office at Coeur d' Alene in the State of Idaho, accompanied by other evidence whereby it appears that the Surprise Mining and Milling Company, Limited, did, on the twenty-third day of August, A.D. 1907, duly enter and pay for that certain mining claim or premises, known as the Surprise, Renown, and Manila lode Mining claims, designated by the Surveyor General as Survey No. 2222, embracing a portion of the unsurveyed public domain, in the Yreka Mining District, in the County of Shoshone and State of Idaho, in the District of Lands subject to sale at Coeur d' Alene and bounded, described, and platted as follows, with magnetic variation twenty-two degrees, thirty minutes east:

Beginning, for the description of the Surprise lode claim, at corner No. 1, a post eight inches square, five feet high, marked U.S. Location Monument No. 4, Y.M.D. and 1 - 2222 also 1 - 1930, with mound of earth and stone, identical with U.S. Location Monument No. 4, Yreka Mining District, and with corner Nos. 1 of the Highland Chief and Bavarian lode claims Survey No. 1930;

Thence, first course, north twelve degrees east six hundred feet to corner No. 2, a fir post six inches square, marked 2-2222 and 4 - 1 - 1 - 1930, with mound of earth and stone, identical with corner No. 4 of said Highland Chief lode claim, corner No. 1 of the Steunenberg lode claim, from which discovery bears north eighty-two degrees, twenty-two minutes west four hundred sixty-six and eighty-eight hundredths feet distant;

Thence, second course, north forty-eight degrees, twenty-four minutes west eight hundred ninety-five and four-tenths feet to corner No. 3, a pine post six inches square, five feet above ground, marked 3 - 2 - 2222 and 4 - 1930 with mound of stone, identical with corner No. 4 of said Grand Surprise lode claim;

Thence, third course, south twelve degrees west six hundred feet to corner No. 4, a fir post six inches square, five feet long, marked 4-1-3-2222, with mound of earth and stone;

Thence, fourth course, south forty-eight degrees, twenty-four minutes east eight hundred ninety-five and four-tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending eight hundred ninety-five and four tenths feet in length along said Surprise vein or lode;

Beginning, for the description of the Renown lode claim, at corner No. 1, identical with corner No. 4 of said Surprise lode claim, from which said U.S. Location Monument No. 4 bears south forty-eight degrees, twenty-four minutes east eight hundred ninety-five and four-tenths feet distant;

Thence, first course, north twelve degrees east six hundred feet to corner No. 2, identical with corner No. 3 of said Surprise lode claim;

Thence, second course, north seventy six degrees, fifty-nine minutes west one thousand twenty-two and fifty-one-hundredths feet to corner No. 3, a fir post six inches square, five feet long, marked 3 - 2222, with mound of earth and stone;

Thence, third course, south twelve degrees west two hundred forty-eight and five tenths feet to a point from which discovery bears south seventy-four degrees, six minutes east one hundred eighty-four feet distant, four hundred ninety-six and two-tenths feet to corner No. 4, a cedar post six and one half inches square, five feet long, marked 4-2222, with mound of earth and stone;

Thence, fourth course, south seventy-one degrees, twelve minutes east one thousand twenty-two and fifty-one-hundredths feet to corner No. 1, the place of beginning, the survey of the lode claim above described, extending one thousand twenty-four and seventy-two hundredths feet in length along said Renown vein or lode;

391146

Beginning, for the description of the Manila lode claim, at corner No.1, a pine post six inches square, five feet long, marked 1-2222, with mound of earth and stone, from which said U.S. Location monument No.4 bears south forty-eight degrees, forty-one minutes, forty seconds east, three hundred twenty-three and three-tenths feet distant;

Thence, first course, north seven degrees, thirty-six minutes east two feet to corner No.2, a fir post six inches square, five feet long, marked 2-2222, with mound of earth and stone;

Thence, second course, north forty-eight degrees, twenty-four minutes west five hundred seventy-one feet to corner No.3, identical with corner No.4 of said Surprise and corner No.1 of said Renown lode claims;

Thence, third course, north seventy-one degrees, twelve minutes west, six hundred seventy-five and thirty-eight hundredths feet to corner No.4, a cedar post six inches square, five feet long, marked 4-2222, with mound of earth and stone;

Thence, fourth course, south seven degrees, thirty-six minutes west three hundred feet to a point from which discovery bears south seventy-four degrees, forty-six minutes, forty-six seconds east, four hundred seventy-five feet distant; Five hundred nine and three-tenths feet to corner No.5 a cedar post five inches square, five feet long, marked 5-2222, with mound of earth and stone;

Thence, fifth course, south eighty-five degrees, fifteen minutes, forty-nine seconds east, one thousand one hundred thirty-seven and thirty-one hundredths feet to corner No.1 the place of beginning; the survey of the lode claim as above described, extending one thousand one hundred forty-six and two-hundredths feet in length along said Manila vein or lode; The premises herein granted containing thirty-one and ninety-seven hundredths acres, more or less:

NOW KNOW YE, That there is therefore hereby granted by the United States unto the said Surprise Mining and Milling Company, Limited, and to its successors and assigns, the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said Surprise, Renown and Manila veins, lodes, or ledges, and of all other veins, lodes and ledges, throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of said granted premises, in said Survey No.2222, extended downward vertically, although such veins, lodes, or ledges, in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises: Provided, that the right of possession to such outside parts of said veins, lodes or ledges, shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said Survey No.2222, so continued in their own direction, that such claims will intersect such exterior parts of said veins, lodes or ledges; And provided further, that nothing herein contained shall authorize the grantee herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities and appurtenances, of whatsoever nature these unto belonging, unto the said grantee above named and to its successors and assigns forever; subject nevertheless, to the above mentioned and to the following conditions and stipulations:

*First.* That the premises hereby granted, with the exception of the surface, may be entered by the proprietor of any other vein, lode or ledge, the top or apex of which lies outside of the boundary of said granted premises, should the same in its dip be found to penetrate, intersect, or extend into said premises, for the extracting and removing the ore from such other vein, lode or ledge.

*Second.* That the premises hereby granted shall be held subject to any vested and accrued water rights, for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights as may be recognized and acknowledged by the local laws, customs, and decisions of the courts; And there is reserved from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

*Third.* That in the absence of necessary legislation by Congress, the Legislature of Idaho may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, Theodore Roosevelt, President of the United States of America, have caused these letters to be made Patent, and the seal of the General Land Office to be hereunto affixed.

GIVEN under my hand at the City of Washington, the twentieth day of January, in the year of our Lord, one thousand nine hundred and eight, and of the Independence of the United States, the one hundred and thirty-second.

(Seal

of the

General

Land

Office).

By the President: Theodore Roosevelt,

By M.W. Young,

Secretary.

M.W. Sanford, Recorder of the General Land Office.

RECORD OF PATENTS Patent number 10322314

# The United States of America

To all to whom these presents shall come, Greeting:

WHEREAS, in pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, and legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of Survey and the Certificate of the Register of the Land Office at Coeur d'Alene, Idaho, accompanied by other evidence whereby it appears that the Highland-Surprise Consolidated Mining Company,

has entered and paid for the Highland Chief Group Comprising the Stunenburg, Grand Surprise, Highland Chief, Bavarian, Idaho, Alpina, St. James, Stony Point, and Jack Pine lode mining claims,

designated as Survey No. 1930, embracing a portion of, approximately, Sections twenty-five and twenty-six in Township forty-eight north of Range two east of the Boise Meridian, in the Treka Mining District, Shoshone County, Idaho,

and bounded, described, and platted as follows: Beginning for the description of the Stunenburg lode claim, at corner No. 1, a fir post four inches square, four and one-half feet long, marked 1-1-4-1930, with mound of earth and stone, from which U.S. Location Monument No. 4 bears south twelve degrees west six hundred feet distant;

Thence, first course, south seventy-three degrees thirty-five minutes east one thousand five hundred feet to corner No. 2, a fir post four inches square, five feet long, marked 2-3-1-4-1930, in mound of earth and stone;

Thence, second course, north twelve degrees east six hundred feet to corner No. 3, a pine post four inches square, four and one-half feet long, marked 3-4-1930, in mound of earth and rock;
